

## Good Sense Fresh

### Room and Fabric Refresher

#### Description

Non-aerosol spray for eliminating odour in fabrics and furnishings.

#### Key properties

- Unique, patented technology alters malodour molecules
- Fast acting and long lasting freshness
- Effective against a wide variety of odours (tobacco, food, urine etc.)
- Safe on colourfast, washable fabrics/furnishings

#### Benefits

- Effectively eliminates rather than masks odours
- Quickly leaves rooms and furnishings smelling fresh and clean
- Can be applied as part of normal cleaning routine
- Suitable for use in all areas and on most fabrics/furnishings

#### Use instructions

Dosage:

**Good Sense Fresh** is ready to use; use undiluted.

Application:

Spray fabric or surface evenly until damp. Odours are eliminated as fabric dries. Difficult odours may require a second treatment. Amount of product dispensed will affect drying time. Allow treated fabric to dry before use.

Important:

Do not use on silk, leather, non-colourfast or non-washable fabrics. Test colourfastness and material compatibility in a small inconspicuous place before use. Remove spillage or build up from hard floors, as surface may become slippery.

#### Technical data

Appearance: clear, colourless liquid

Relative density [20°C]: 1.00

pH-value: 3.5 – 4.5

The above data is typical of normal production and should not be taken as a specification.

## **Good Sense Fresh**

### **Safe handling and storage information**

Safe handling:

Full guidance on the handling and disposal of this product is provided in a separate Material Safety Data Sheet.

Only for professional users / specialists.

Storage Information:

Store in original closed containers away from extremes of temperature.

### **Environmental information**

The surfactants used in this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
