

# TASKI® Jontec Tensol

Floor cleaner/maintainer

## Description

Floor cleaner/maintainer, without film build up. Ideal for cleaning and maintenance of protected and unprotected water resistant hard floors. Creates a slip-resistant and dirt repellent floor.

## Key properties

- Well-balanced formulation based on water-soluble maintenance ingredients
- Low foaming
- Contains a glide additive
- Versatile application
- Fresh fragrance
- Non build up cleaner/maintainer
- Incorporates O.N.T. (Odor Neutralising Technology)

## Benefits

- Ideal for the new generation of floorings (PU floors/ Pre-Treated floors)
- Cleans and maintains without film build-up, creating a slip resistant and dirt repellent surface
- Ideal for use in scrubber-driers
- Glide additive facilitates wet mopping
- Also suitable for damp mopping (dust removal) and for spray cleaning with single disc machines
- Destroys malodour molecules. Therefore intensifies perfume effect and leaves a fresh fragrance
- Ideal for the new generation of floorings (PU Floors/pre-treated floors) as initial treatment

## Use instructions

**Dosage:** TASKI Jontec Tensol is available in various pack sizes and is either dosed manually (standard concentrate) or through one of our dispensing systems (EXACT, SmartDose™, QuattroSelect®, IntelliDose, J-Flex®). For detailed information regarding the specific dosing equipment, please refer to the technical data table. Proper dosage saves costs and minimises environmental impact.

## Application

### Manual

**Wet mopping:** Dose/dilute the product into a full bucket, apply the solution and remove the soiled solution.

**Damp mopping:** Dose/dilute product into a spray bottle filled with water. Sparingly spray the solution on a mop cloth and wipe. Rinse or replace the mop regularly.

### Machine

**Scrubber-drier:** Dose/dilute the product into the full water tank, apply the solution and remove the soiled solution. Single disc machine, equipped with spray device and red pad: Dose the product into the spray device and spray clean the floor. Buff for extra shine (TASKI® IntelliPad is the perfect pad).

**For the initial treatment:** Dose the product into a bucket filled with water, apply the solution with a clean mop and allow the solution to dry. Buff for extra shine (TASKI IntelliPad is the perfect pad).
