

## Suma<sup>®</sup> Nova Pur-Eco

Liquid detergent for mechanical ware washing in medium to hard water conditions

### Description

**Suma Nova Pur-Eco L6** is a concentrated liquid detergent for mechanical ware washing. It provides excellent soil removal in medium to hard water conditions.

### Key properties

**Suma Nova Pur-Eco L6** is a heavy duty alkaline liquid detergent suitable for use in single and multi-tank ware washing machines. It contains a blend of caustic alkali and scale control agents, which remove fats and dried-on foods. The high level of powerful scale control agents prevents scaling in medium to hard water conditions.

### Benefits

- Quickly removes grease and dried-on food
- Prevents scaling of the dish wash machine in medium to hard water conditions
- Very effective thanks to highly concentrated formulation
- Swan certified

### Use instructions

**Suma Nova Pur-Eco L6** is normally applied using Diversey automatic dosing equipment. It can also be used in conjunction with integral dosing pumps where these are fitted. To ensure perfect cleaning results in hard water conditions, dose at a concentration of 1-4 g/litre, depending on local site conditions. At 2 g/litre, this will prevent scale deposits in water containing up to 135 ppm  $\text{CaCO}_3$ .

**L6**

## Suma<sup>®</sup> Nova Pur-Eco

Liquid detergent for mechanical ware washing in medium to hard water conditions

### Technical data

Appearance	clear pale yellow liquid
pH (1% solution)	12.5
Relative density	1.31

These figures are typical values and should not be interpreted as specifications.

### Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Store in original container. Avoid extremes of temperature.

### Product compatibility

Under recommended conditions of use, **Suma Nova Pur-Eco L6** is suitable for use on most materials commonly encountered in the kitchen. Do not use on alkali sensitive items such as copper, brass, aluminium or rubber.

### Approvals

**Suma Nova Pur-Eco L6** is approved according the latest guidelines of the Nordic Eco label (SWAN).
