Tork Constant Air Freshener Dispenser in Elevation Design uses a unique, high-tech distribution technology to disperse scent continuously and evenly. Certified "Easy to use" for effortless refilling. Available with three carefully selected scents – Breeze, Blossom and Odour Neutraliser – for long-lasting, continuous freshness in any washroom.

References

No spray-and-fade effect due to unique distribution technology*

* - Patented technology based on a proven fuel technology used in the pharmaceutical industry, where precise doses are essential to treat human beings and animals

A certified "Easy to use" system* for effortless refilling thanks to a lower placement position versus traditional aerosol systems that often need to be placed higher up to be effective.

* - Certified by the Swedish Rheumatism Association, tested according to The Design for All Test, published in the Swedish Design Research Journal, 2011

Key benefits:

- Designed to deliver a consistently pleasant experience in washrooms, which helps to avoid washroom complaints.
- No spray-and-fade effect due to unique distribution technology*
- A certified "Easy to use" system* for effortless refilling thanks to a lower placement position versus traditional aerosol systems that often need to be placed higher up to be effective.
- Flexible placement at a reachable height for cleaning staff means no special equipment or additional service costs.
